

I, _____ (printed name) authorize all parties of Metro Staffing to pull a full criminal background check and credit report as necessary. I fully understand that this will not disqualify me for employment in any way. The cost of the background check is \$30.00 and will come out of my first paycheck. If a drug screening is requested for employment, I understand that a \$30.00 deduction will be taken from my current paycheck for the payment of the drug screening. In the event that a drug test is not passed, you may request to re-test at your own expense.

I, _____ (printed name) understand Metro Staffing has initiated an insurance policy designed to cover the event of a major loss or accident to the property while the contract worker is performing services to the customer or property. The plan is for general liability purposes only. This is NOT a health insurance plan. Therefore, 5% will be deducted out of all paychecks as a reasonable rate of coverage.
